**BOOK «MORE PRIVACY» UPGRADE** Please send the completed admission form to Patient Administration or inform your specialist nurse about your requested room at the beginning of your stay. If a suitable room is available and you have paid a deposit for your planned stay, the room is considered booked. An additional payment will need to be made for longer stays. You will be charged for the number of full or partial nights you spend at the hospital, starting from the time of your admission. You can pay the deposit at Patient Admissions or by transferring the amount to our account at Zuger Kantonalbank. Extra charges are not covered by insurance.

**CHANGE OF INSURANCE CLASS** Opting for a privacy upgrade does not change your insurance class. Please speak to Patient Admissions, telephone 041 399 44 40/pataufnahme@zgks.ch, for information on treatment in a higher insurance class (treatment by a Senior Consultant or the Chief Physician, extended catering offer) and the associated additional costs).
